Covered Activity

(A) All activities sponsored and supervised by the Policyholder, including travel with a group in connection with such activities, and (B) travel directly and without delay to and from the Insured Person's home or residence and the site of such activities.

Medical Expense Benefit

If the Covered Person incurs eligible expenses as the direct result of a covered injury and independent of all other causes, the Company will pay the charges incurred for such expense within 365 days, beginning on the date of accident. Payment will be made for eligible expenses in excess of the applicable Deductible Amount, not to exceed the Maximum Medical Benefit. The first such expense must be incurred within 90 days after the date of the accident.

"Eligible expense" means charges for the following necessary treatment and service, not to exceed the usual and customary charges in the area where provided.

- Medical and surgical care by a physician
- Radiology (X-rays)
- Prescription drugs and medicines
- Dental treatment of sound natural teeth
- Hospital care and service in semi-private accommodations, or as an outpatient
- Ambulance service from the scene of the accident to the nearest hospital

If Excess coverage is selected, this plan does not cover treatment or service for which benefits are payable or service is available

under any other insurance or medical service plan available to the Covered Person. Primary coverage pays benefits under the plan without offset for other insurance (except Workers' Compensation).

Accidental Death and Dismemberment Benefit

If a covered injury results in any of the losses specified below within 365 days after the date of the accident, the Company will pay the applicable amount:

"Member" means hand, foot, or eye. Loss of hand or foot means complete severance above the wrist or ankle joint. Loss of eye means the total, permanent loss of sight.
